June Guild Meeting—Saturday, June 4 Open Studio Tour—Salt Lake Valley

Our June meeting will be a fun and exciting Open Studio Tour of four Guild member's studios. Lori Webb, Deanna Baugh, Jeanette Treageagle, and Sonya Campana have all graciously agreed to share their studios, looms, and fiber treasures with us. We will meet at Lori Webb's at 9:00 am. (see schedule below), then go to Deanna's, Jeannette's, then on to Sonya's for a potluck lunch. Bring something yummy to share. Please feel free to come to any part of the day if that works for you.

It would be nice to give our hostesses some idea of how many people to expect, so please RSVP to Mimi via e-mail or phone if you plan to come (see contact information below). (Last minute drop-ins are, of course, welcome if your plans change!). ❖

President's Message

Even if the weather does not seem warm yet, summer is coming. It is a wonderful time of the year. I love the flowers, blossoms, fresh fruit, and garden vegetables for all of the color inspiration they provide. This is the time of year I like to

think about what projects I want to do in the coming months. The guild meetings this year have brought a lot of ideas. I love show and tell. I am always glad to have finished a project for the show. It is hard to say exactly how ideas for weaving designs come forth. I think for me it is a combination of lots of input.

Many guild members will be going to IWC and taking several of the workshops. I look forward to seeing the ideas they bring back for show and tell this coming year. I believe the guild motto, you can't weave well enough alone, is true. Thanks for participating during the guild activities this year. I hope to see many of you on Saturday.

Thanks for a great year,
Judie Eatough ❖

September Guild Meeting

The combined current and new Guild board members are busy planning next year's Guild schedule. Watch the Guild website at mmawg.org, and also watch for a newsletter this summer that will give you the information about our September Guild meeting. We will get this information to you as soon as we possibly can. Have a wonderful summer, and get lots of weaving done! ❖

HGA Convergence 2012 to be held in Long Beach California

HGA's Convergence® 2012 Long Beach will be held at the Long Beach Convention Center, July 15–21, 2012. The Convergence conference is outstanding for everyone who loves and works in fiber. It is the biennial, international conference sponsored and organized by the Handweavers Guild of America, Inc. (HGA), with the help of many dedicated fiber enthusiasts. Convergence features special lectures, workshops, one-day studio classes, super seminars, exhibits, tours, special events, and a commercial vendor hall full of fibers, fiber-related equipment, and an artist market. The classes include novice to advanced instruction in a variety of fiber techniques, including weaving, spinning, dyeing, basketry, feltmaking, knitting, garment construction, sewing with handwovens, and more! ❖

Intermountain Weaver's Conference— July 21–24 in Durango, Colorado!

The Intermountain Weaver's Conference will be held this summer (2011) in Durango, Colorado.

This is your chance to spend four days with 150 plus fiber artists, to attend a three-day workshop from one of the great fiber instructors, to see a couple of great fiber exhibits, a wonderful fashion show and to spend time (and money) at a great fiber market. There is still space in some of the workshops. See the IWC website for registration information and a list of available workshops. ❖
